

TAILORED PROGRAMS

Strategically improve your star ratings with tailored programs for specific target groups

A Unique Opportunity for EC's, Team Leaders and Managers to tailor your own program

Powerful Action programs to motivate, inspire and install new "employment gaining" patterns of thinking and behaving.

It takes a team of passionate and skilled experts from Employment Accelerators to deliver outstanding results. Over 3000 job seekers have been motivated by the inspiration that comes from Employment Accelerators (EA).

Employment Accelerators has been proven to provide a real advantage to jobseekers, with an astounding 70% success rate for helping people who are seeking new employment opportunities.

Employment Accelerators offer an obligation free consultation with our Job Network Technical Advisor to talk about tailoring a unique program for your business and site.

“Helping people reach new heights in life, fast.”

WHAT YOUR CLIENTS CAN EXPECT:
